

Please remember that students that participate in spring sports should not plan to participate in overnight Immersion trips!

Immersion Selection Lottery

Immersion selection will take place the week of October 24th during Colt Class. This year students will once again be making their selections in a lottery type fashion. To expand on what is meant by this...

- We will begin with the seniors who have their required DEPOSIT AND THE FORM BELOW in hand and then continue to juniors, sophomores, and freshmen that also have their deposits and forms.
- Students prepared with their deposits will randomly draw a ticket numbered one through the last in the class.
- #1 will make his selection first, #2 will follow, #3 next, and so forth.
- When a particular trip fills up, remaining students wishing to participate in that trip will have to make an alternate selection.
 - If the amount of the deposit being paid is greater than the required deposit for the alternate trip, the excess will be credited to the first payment due.
 - If the amount of the deposit being paid is less than the required deposit for the alternate trip, the remaining balance will be due with the first payment. The alternate choice **MUST** be signed off on below by the parent.
 - Students should not change their choices once the parent has signed off on them. DeSales cannot be held responsible if this is the case.
- After the lottery selection is complete, Mrs. Heare will send a payment schedule/invoice to each student.
- Students who do not participate in the lottery will be placed where space allows at the end and the families will be billed accordingly.

The form below **MUST** be filled out completely and returned with the deposit for the student to be placed in his desired Immersion offering.
