

2011 DeSales Summer Picnic

Friday, July 22, 6:00 pm—midnight | Saturday, July 23, 4:00 pm—midnight

Dear Families and Friends of DeSales,

Yes, it is that time of year again—the 2011 Summer Picnic at DeSales! This will be the Thirtieth DeSales Summer Picnic, which will be held on the front lawn of the school. The picnic is being put on by the DeSales Alumni Association, Inc., with the assistance of the DeSales High School Athletic Department. We are asking for your help in making this a successful event. The picnic is the largest annual fundraiser for the Alumni Association, and **the net proceeds of the Summer Picnic are shared between the Alumni Association and the Athletic Department.** The Alumni Association uses the proceeds to assist the school - i.e., financial aid, computer system equipment and has pledged to help fund the renovation of the Chemistry Laboratory.

The picnic is a great opportunity to socialize and renew old friendships, visit with teachers and other alumni. We hope you will support our efforts in this year’s picnic. The **CAPITAL PRIZE RAFFLE** will be a 50/50 drawing. Chances are \$100.00 and are limited. We will also have a \$10.00 per chance “Split the Pot.” If you would like to purchase a chance, please fill out the area on the reverse side and follow the instructions. Tickets can also be obtained at DeSales High School.

It takes many volunteers and hours of work to make the picnic a success. If every parent, student and alumnus would volunteer just a couple of hours of their time, it would make a very difficult task easy. Parents, the week before the picnic, during the picnic and the week after the picnic are excellent opportunities for students to acquire service hours.

I know there are some who will be out of town during the picnic, but help is also needed getting things ready the week prior to the picnic. Booths have to be picked up at Mary Queen of Peace and assembled; tables laid down, lights, etc., need to be moved from the storage area and assembled. The list of things to do is a long one, but with enough volunteers it can be shortened very quickly. We wish you the best this summer and hope to hear from you!

Respectfully,
